

BRANDON CREIGHTON

STATE SENATOR

DISTRICT 4

Dear Texans,

Right now, Texas small businesses and families are struggling because of Covid 19. And if you are someone who has been hit financially, finding solutions can be a challenge.

I have heard from friends all over Senate District 4 asking questions like:

- I'm self employed, am I eligible?
- Can I receive stimulus funds from the CARES Act?
- How do I enroll in paycheck protection for my employees?

Those are just a few, so below I have put together some links that can help you access and unlock benefits that can help you through this trying time.

As always, if I can help you please do not hesitate to email me at Brandon.Creighton@senate.texas.gov.
