## **Sen. Hancock Committee Assignments for 86th Legislature Announced**

**AUSTIN** - The Texas Senate today released committee assignments for the 86th Legislature. Sen. Kelly Hancock (R-North Richland Hills), will continue leading the Business & Commerce Committee as Chairman.

He additionally will serve as Vice Chair of the Transportation Committee and as a member of the Natural Resources & Economic Development Committee, the newly-formed Property Tax Committee, and the budget-writing Finance Committee.

"I'm ready to get to work on these key issues for North Texas," said Hancock. "Our state boasts the 10th largest *global* economy and has added nearly one million jobs in the past four years. It's up to us to continue this success story by meeting the population growth challenges that come with it, from infrastructure, to natural resources, to property appraisals. I'm confident we'll do just that."
