## **Sen. Kelly Hancock Statement on SB 2**

**AUSTIN, TX** - Sen. Kelly Hancock (R-North Richland Hills) today issued the following statement regarding the Texas Senate's passage to engrossment of SB 2:

"The citizens of Texas have demanded property tax reform loud and clear. I'm glad to see that the majority of the Senate is listening. SB 2 strengthens voter-approval limits on property tax growth and improves the balance between state and local public education funding, another top priority of the 86th Legislature. With dozens of property tax relief and appraisal reform bills moving through the Capitol this session that complement SB 2, I believe we're well on our way to a real and meaningful overhaul of a broken property tax system."
