Approval of State Veterans Home**

Fort Worth, TX— Today the Tarrant County Commissioners Court approved the donation of 12 acres of land for the creation of the Veteran Land Board's 10th Veteran's Home.

Senator Powell released the following statement:

"Ensuring Texas veterans have access to the resources they deserve remains a crucial priority for our state and for the entire Tarrant County community. I am thankful for today's vote by the Tarrant County Commissioners Court, which is an important step for our region to become home to the 10th VLB Veteran's Home. Our office was honored to work collaboratively with County Judge Glen Whitley, Commissioner George P. Bush, Fort Worth Mayor Betsy Price, State Representative Nicole Collier, and key community leaders to ensure this important investment is made in Tarrant County."
