**SENATOR LARRY TAYLOR RANKS 100% ON PRO-LIFE LEGISLATION**  
*TEXAS RIGHT TO LIFE RELEASES THEIR 84TH LEGISLATIVE SESSION SCORECARD*

AUSTIN, TEXAS (July 27, 2015)... The Texas Right to Life released their 84th Session Pro-Life Scorecard that gave top marks to Senator Taylor for his overwhelming pro-life support, as well as his attempts to close loopholes in current abortion law.

"My record displays my values," said Senator Larry Taylor. "Like other legislators, I vote with my heart and I vote with the majority of my constituents' hearts. I am 100% pro-life and will do anything to protect the innocent lives and dignity of our smallest Texans."

Sen. Taylor filed S.B. 575 in the 84th Legislative session which would have allowed for a person whose health insurance company covers abortions to "opt-out." "This was about choice," said Sen. Taylor. "To choose to pay for the abortions of those individuals with the same health insurance, or to choose to not pay for the elective abortions of others."

S.B. 575 was voted out of the Senate, but unfortunately time ran out in the House of Representatives and S.B. 575 died with hundreds of other bills on the House Calendar. For his achievement in the Senate, Senator Taylor is honored to make Texas Right to Life's Pro-Life Honorable Mentions List "[for] elected officials who went above and beyond voting the "right way" when the issue was on the floor. These are the leaders who worked tirelessly for Pro-Life victories and made this challenging session a success."\*
