A CHAMPION FOR FREE ENTERPRISE**

AUSTIN, TEXAS (September 24, 2015)... Texas Association of Business (TAB) announced today that Senator Larry Taylor (R – Friendswood) has been named a *Champion for Free Enterprise* for his continued leadership during the 84th Legislative Session.

"My job as an elected official is to serve our state so that it remains the best place to live, work and raise a family for the folks that put me here," said Senator Larry Taylor. "It is an honor to be recognized by TAB for striving to do just that by protecting our thriving business economy here in Texas."

Senator Taylor was named a *Champion for Free Enterprise* due to his proven support to keep taxes low, ensure free market competition, reduce government overregulation and promote job creation. Texas Association of Business Texas represents companies from the largest multi-national corporations to small businesses in nearly every community of Texas. TAB works to improve the Texas business climate and to help make our state's economy as strong as possible.

"While in the Texas House, and now in the Texas Senate, Senator Larry Taylor has continued to exhibit strong support for the Texas business community," said Bill Hammond, CEO of the Texas Association of Business. "Because of the support of lawmakers like Sen. Taylor our economy remains strong and Texas continues to be a job creation leader."

Sen. Larry Taylor represents Senate District 11, comprised of parts of Brazoria, Galveston, and Harris Counties. Before his election to the Texas Senate in 2012, Sen. Taylor served five terms in the Texas House of Representatives.
