STATEMENT FROM STATE SENATOR LARRY TAYLOR ON SANTA FE HIGH SCHOOL TRAGEDY

(Austin, TX) - Senator Larry Taylor (R-Friendswood) today issued the following statement:

I am saddened and shocked that an evil act such as this has occurred in our own community. No child should be afraid to go to school and no parent should endure the atrocity many parents have faced today. We grieve for those we've lost and ask that people pray for all who have been affected by this senseless tragedy.
