Senator Miles Opens Fort Bend District Office

Senator Borris L. Miles hosted the grand opening of the new Senate District 13 Fort Bend District Office on Saturday, June 24, 2017.

"I was honored to welcome more than 150 community members to celebrate the grand opening of this new district office," said Senator Miles. "I also want to thank all the local elected officials who joined me in support, including US Representative Al Green, Fort Bend Commissioner Grady Prestage, Missouri City Mayor Allen Owens and many others."

The Fort Bend District Office will serve Missouri City, Stafford and Fresno in Fort Bend, as well as the Alief community in Harris County.

"This will be a robust office that will be staffed 5-days a week. My team and I will be attending town halls, school board meetings, community meetings and more to ensure we are listening to you. We are here to help you navigate the bureaucratic process, whether it is federal, state or local government. This is YOUR office, and we represent you," Senator Miles said at the grand opening.

"I put together a diverse team to serve this office. It will be led by Fort Bend native, Bianca Beal. She will act as the liaison between this office and will be my eyes and ears to ensure this community receives the service it deserves," said Senator Miles.

"I want to thank all the Fort Bend residents for coming out in support of this grand opening. I am truly humbled and honored to be your state senator," said Senator Miles.

Constituents are welcome to visit the office Monday thru Friday, from 9 am to 5 pm at 2440 Texas Parkway Suite 110, Missouri City, Texas 77489.
