## **Statement from Senator Miles on Santa Fe High School Shooting**

"Enough is enough. It is obvious 'thoughts and prayers' aren't producing the change we need to keep our kids safe. Earlier today, Governor Abbott said he would host 'roundtable meetings' to discuss gun violence. We have been talking about gun violence and common sense gun legislation for years. We need action and bold leadership to change our laws to prevent another tragedy at our schools. I stand ready to work together with my colleagues in the Texas Legislature so we can prevent another tragedy from ever occurring again. Our children deserve better."

Keep the Faith, Keep the Fight!
