Senator Kolkhorst Comments on Blue Bell Creameries

"My heart goes out to everyone touched by today's layoffs and furloughs at Blue Bell Creameries. The people that brought us Blue Bell are as tough as Texas. They're known not only for making the nation's most popular ice cream, but also for their hard work and dedication. That's why I'm confident that this iconic Texas company will recover from this setback. As a Brenham native, I know the same spirit that delivered over a century of success will see Blue Bell to brighter days."
