## HAPPY HOLIDAYS FROM *Royce & Carol West*

As we approach the end of the year, I pause to say Thank You for the privilege of serving the constituents of Senate District 23 and the State of Texas. Let's celebrate all the positives that occurred this year and learn from all the negatives. 2025 is going to be a great year and together, we will make Senate District 23 a better place to live, learn, play, and work.
