

**DAWN BUCKINGHAM**  
STATE SENATOR

April 17, 2018

**State Senator Dawn Buckingham Statement on the Passing of  
Former First Lady Barbara Bush**

Today, America lost one of its most special treasures. Barbara Bush inspired so many, was admired by all and will be truly missed.

She taught us there is a place for class in politics, that women have a strong voice that should be heard and that every opinion counts.

May she Rest In Peace. We are thankful for the many blessings she leaves behind.
