

The Senate of The State of Texas

Senator Pete Flores

District 24

The nomination period for the 2024-25 Texas Armed Services Scholarship Program (TASSP) is now open, and the Texas Higher Education Coordinating board allows for the appointment of one student and one alternate from each Texas Senator. I proudly support the armed services of Texas, and the TASSP was created to motivate students to pursue an advanced degree and commit to a career in the Texas or United States Military. The past recipients of these awards have gone on to become commissioned officers in numerous branches of the military.
