Sen. Campbell's Statement on Senate Passage of HB 2

*"All life is precious and tonight Texas voted along
bipartisan lines to protect the sanctity of life..."*

AUSTIN-- Sen. Donna Campbell's statement on passing the abortion omnibus bill:

"All life is precious and tonight Texas voted along bipartisan lines to protect the sanctity of life. With the passage of this bill, we have implemented reforms that acknowledge advances in 21st Century medicine and technology with 21st Century legislation. Our facilities will be safer, women's care will be better, and our tiniest and most vulnerable Texans will finally be protected, their right to life enshrined under Texas law. We are creating a culture of life and I thank God for the opportunity to serve Texas families during this historic time."
