**Sen. Donna Campbell's Statement on Lt. Governor's Interim Charges
for Veteran Affairs, Military Installations, and Border Security**

AUSTIN-- "It is great to see the Lieutenant Governor recognize the needs of our veterans when it comes to quality health care and access to mental health resources. Texas has led the way when it comes to ensuring our veterans receive the benefits they've earned, and I look forward to finding solutions that reduce VA wait time and improve care for more Texas veterans and military families.

"Additionally, I am committed to exploring and determining cost-effective policies and recommendations that would strengthen the role of military bases in our state. The billions in economic gains and benefits that these installations provide cannot be overstated, and we must do everything we can to keep them and the jobs they sustain here in Texas.

"Lastly, I look forward to assisting Chairman Birdwell on the Border Security Subcommittee as he explores policies that have led to sanctuary cities and makes efforts to ensure our immigration laws are not ignored by some municipalities, but fully enforced."
