Senator Campbell Applauds Passage of SB 23 Texas Born Alive Infant Protection Act

AUSTIN – Senator Donna Campbell joined 19 other state senators in voting to pass SB 23, the Texas Born Alive Infant Protection Act. Please find her statement below:

"As a physician we take an oath to protect and preserve life," said Senator Campbell. "That's all this bill codifies - the obligation of a health care worker at an abortion facility to care for a living patient. It's a shame we even have to write it down and vote on it. A child deserves to be cared for, especially when they are in desperate need of medical attention. I am proud to author this bill with Senator Kolkhorst and applaud its strong passage where other states have failed to act."

The bill passed on a 20 - 11 vote. It now heads to the Texas House.

###

State Senator Donna Campbell is an emergency room physician from New Braunfels who chairs the Veteran Affairs and Border Security Committee.
