Senator Menéndez Issues Statement on Closure of Ascent Recycling

San Antonio, Texas - Today, State Senator José Menéndez released the following statement on the closure of Ascent Recycling by the City of San Antonio.

"This shows what can happen when state and local officials take the time to listen to neighborhood concerns and work together. This business was unwilling to cooperate and follow the rules so they will be shut down. The health and safety of my constituents always comes first. I applaud the city's and Councilman Warrick's efforts and thank the Texas Commission on Environmental Quality for their role improving conditions of the neighborhood."
