State Senator José Menéndez Welcomes Public to Open House Event This Sunday, September 17, from 2p.m-4:30p.m.

San Antonio, Texas - Senator Menéndez is hosting an Open House event this Sunday to welcome the public to his district's new office location. The City of Balcones Heights and Wonderland Mall of the Americas have been home to Senator Menéndez's office for the last year and a half, serving Senate District 26 constituents in the mall's Suite A3. However, the office has recently relocated within the mall to space A22 (located one floor below Ross Dress for Less).

The new location is a larger space that will provide more room for one-on-one meetings with residents seeking assistance and to accommodate students seeking internships. Team Menéndez is thrilled to be able to share the new office location with the City of Balcones Heights, which has been instrumental in making this new space possible for staff and the community of District 26. The Open House is free and everyone is welcome to bring friends and family to speak to Senator Menéndez and meet the staff.
