**Senator José Menéndez Issues Statement on
Sunset Advisory Commission Staff Report**

San Antonio, Texas - State Senator José Menéndez issued the following statement in response to the Texas Holocaust and Genocide Commission Sunset Staff Report. Amongst the report, the Sunset Staff recommended to abolish the Texas Holocaust and Genocide Commission.

Senator José Menéndez released the following statement:

"I am disheartened and frustrated to learn of the Sunset Staff's recommendation to abolish the Texas Holocaust and Genocide Commission. Many of us have come together as a community and worked tirelessly to ensure that the history of our brothers and sisters are both preserved and told factually, so that we never forget the atrocities. During the upcoming 87th Legislature, I ask my colleagues to join me in opposing the Sunset Staff's recommendation, so that we continue to do everything possible to prevent future genocide by never forgetting our dark past."
