CHARLES PERRY
TEXAS STATE SENATOR
DISTRICT 28

SENATOR PERRY COMMENDS FARM BUREAU PRESIDENT ON SERVICE

LUBBOCK, TX – Today, at Texas Farm Bureau’s annual meeting in Corpus Christi a new president will be elected by delegates as incumbent President Kenneth Dierschke retires after 12 years of service.

Senator Charles Perry made the following statement about his retirement:

Under the leadership of Kenneth Dierschke, Texas Farm Bureau’s membership and influence have increased across our state. Dierschke has been a tremendous advocate for agriculture and an integral part of Farm Bureau’s success.

The person selected to replace Dierschke has big shoes to fill. I look forward to continue receiving Dierschke’s wisdom and insight on rural issues in the years to come, as I serve as his state senator for Tom Green County.
