## SEN. PERRY ANNOUNCES 15 TOWN HALLS WITH REP. SPRINGER

LUBBOCK, TX – Today, Senator Charles Perry announced a series of 15 town hall forums with Rep. Drew Springer (R – Muenster) to discuss the previous legislative session and issues relating to state government.

“The only way for an elected official to truly represent the constituents in their district is to go out and hear from those they represent,” said Senator Perry. “I look forward to traveling across the 51 counties I represent to hear concerns and give a recap of the legislative session.”

“We had a strong first session in the senate passing several important bills to our district and serving as the first freshman chairman since 1993,” continued Perry. “We passed a conservative budget that properly funds public education and border security, while significantly reducing both our state’s property tax and business tax.”
