SEN. PERRY APPOINTED TO JOINT COMMITTEE TO STUDY BORDER SECURITY

LUBBOCK, TX – Today, Senator Charles Perry (R – Lubbock) was appointed to the Joint Interim Committee to Study Border Security. This committee was created as a result of the passage of House Bill 11 during the 84th Regular Session.

“The passage of HB 11 invested more resources to our border than ever before. It is now the responsibility of the Texas Legislature to oversee its implementation and ensure the funding goes towards its intended purpose,” said Senator Perry. “I look forward to exploring ways we can increase security and stop the incentives, including sanctuary cities, which encourage illegal immigration and put our communities in danger.”
