State Senator César J. Blanco, Hosts 10th Annual Citizenship Workshop

El Paso, Texas – Today, Senator César J. Blanco hosted his 10th Annual Citizenship workshop event providing over 22 eligible individuals in the community essential resources and guidance on their journey to U.S. citizenship. In collaboration with Las Americas Immigrant Advocacy Center, they provided hands-on assistance with the N-400 application, ensuring participants had the support they needed to thrive.

Senator César J. Blanco issued the following statement:

“I am proud to have hosted our 10th Annual Citizenship Workshop, a testament to our commitment to supporting individuals on their journey to becoming American citizens. Naturalization is not just a process; it is a cherished tradition that reflects our nation's values and ideals. It symbolizes hope, opportunity, and the promise of a better future.

This event allowed us to provide resources, a sense of community, and encouragement, helping participants navigate the often-challenging path to citizenship.

Thank you to our partners at Las Americas Immigrant Advocacy Center for their invaluable support in making this event a success. Together, we are reinforcing the cornerstone of our nation—a belief in the power of inclusion and the celebration of diversity as we welcome new citizens into our community!”

“Estoy orgulloso de haber organizado nuestro 10º Taller Anual de Ciudadanía, un testimonio de nuestro compromiso de apoyar a las personas en su camino hacia la obtención de la ciudadanía estadounidense. La naturalización no es solo un proceso; es una tradición valiosa que refleja los valores e ideales de nuestra nación. Simboliza esperanza, oportunidad y la promesa de un futuro mejor.

Este evento nos permitió ofrecer recursos, un sentido de comunidad y aliento, ayudando a los participantes a navegar el camino a menudo desafiante hacia la ciudadanía.

Agradezco a nuestros socios del Centro de Defensa de Inmigrantes Las Américas por su apoyo invaluable para hacer de este evento un éxito. ¡Juntos, estamos reforzando la piedra angular de nuestra nación: una creencia en el poder de la inclusión y la celebración de la diversidad mientras damos la bienvenida a nuevos ciudadanos en nuestra comunidad!”
