Senator César Blanco Hosts Canned Food Drive in Support of El Pasoans Fighting Hunger Food Bank

El Paso, Texas – Senator César J. Blanco is proud to announce the conclusion of his Canned Food Drive to benefit the El Pasoans Fighting Hunger Food Bank. Thanks to the generosity and enthusiasm of the community, and a friendly competition between Scotsdale Elementary and Eastwood Heights Elementary, the drive collected a total of **3,336** cans to help families in need.

Senator Blanco issued the following statement:

“Food insecurity continues to affect many in our community, as rising grocery costs and economic challenges make it increasingly difficult for families to put food on the table. With food banks facing shortages after the holidays, we took this opportunity to come together and replenish their supplies to support families in need. Hunger knows no boundaries, and every donation will play a vital role in feeding a neighbor in need.

“A heartfelt thank you to El Pasoans Fighting Hunger Food Bank for their tireless efforts and dedication to helping the hunger crisis in our region. I also want to extend my deepest gratitude to Scotsdale Elementary and Eastwood Heights Elementary for their incredible participation and generosity. Their contributions made a significant impact, and I look forward to continuing our work together to ensure families can keep food on the table.”
