Senator César J. Blanco Kicks Off 11th Annual Back-to-School Backpack Giveaway Series in El Paso

El Paso, Texas - Yesterday, Senator César J. Blanco kicked off his 11th Annual Back-to-School Backpack Giveaway Series, giving away 460 backpacks to students enrolled at Thomas Manor Elementary School. Yesterday's giveaway was the first of a three-part giveaway at schools across Senate District 29.

Different schools are selected for assistance each year based on the Texas Education Agency's Economically Disadvantaged Status Reports. These giveaways are held only for those enrolled and registered at the selected schools.

Senator Blanco issued the following statement:

“With many families facing tough financial choices during the back-to-school season, I’m happy we can help ease this burden by providing students with free backpacks.

“Watching students light up as they receive their backpacks is a reminder of what this event is all about, making sure every child has the tools they need to succeed from day one. Every child in our community deserves to start the school year prepared and confident, ready to learn, grow, and reach their full potential.

“I want to thank our community and corporate partners who have made this event possible. Together, we are investing in the future success of so many young learners!”

El senador Blanco emitió la siguiente declaración

“Con tantas familias enfrentando decisiones financieras difíciles durante la temporada de regreso a clases, me alegra que podamos aliviar un poco esa carga al proporcionar mochilas gratuitas a los estudiantes.

Ver la alegría en los rostros de los niños al recibir sus mochilas nos recuerda el verdadero propósito de este evento: asegurarnos de que cada estudiante tenga las herramientas necesarias

para tener éxito desde el primer día. Cada niño en nuestra comunidad merece comenzar el año escolar preparado, con confianza, y listo para aprender, crecer y alcanzar su máximo potencial.

Quiero agradecer a nuestros socios comunitarios y corporativos que han hecho posible este evento. ¡Juntos, estamos invirtiendo en el futuro de tantos jóvenes estudiantes!”
