Senator Estes outlines priorities for the 85th Legislative Session

Austin - State Senator Craig Estes (R-Wichita Falls) is excited to represent Senate District 30 in the Texas Legislature's 85th Regular Session, which begins today.

"I am both humbled and honored to represent Senate District 30 again. There are certainly some challenges facing the state," said Estes when the Legislature convened. "But I look forward to working with my colleagues in both the Senate and House to come up with the best solutions for all Texans."

One of Senator Estes' top priorities in the upcoming session will be maintaining the Texas Emission Reduction Plan to mitigate the damage done to Texas businesses by overreaching EPA regulations. Additionally, Senator Estes will focus on responsible management of taxpayer dollars, strengthening border security, and advancing Second Amendment rights.

Senator Estes currently serves as Chairman of the Senate Committee on Natural Resources and Economic Development. Additionally, he serves as a member of the Senate Health & Human Services, Nominations, and State Affairs Committees.

Estes serves nearly 820,000 constituents across Senate District 30, which includes all of Archer, Clay, Cooke, Erath, Grayson, Jack, Montague, Palo Pinto, Parker, Wichita, Wise, and Young counties and parts of Collin and Denton counties.
